

"UPS" AND "DOWNS"

U

If you were to travel in the land of Jesus, you seldom go along on a level. Usually you either go up or down. If you look carefully you will see that the Bible often tells us if a journey is up or down.

MAKE A LIST OF THESE "UPS AND DOWNS"

1. In the story of the good Samaritan, Jesus told about a man who was robbed while he was going from Jerusalem to Jericho. Does the Bible say this man was travelling up or down? See Luke 10:29-37. Prove on your map that the man would really be travelling this way.
2. After the wedding in Cana, Jesus went with his mother, brothers, and disciples to Capernaum. Did they travel up or down? See John 2:12. Prove this on your map.
3. Herod, the king, had killed some followers of Christ. Herod had Peter put in prison. He planned to kill Peter too. But the Christians prayed for Peter. God sent an angel to lead Peter out of the prison. Peter left the city of Jerusalem. Herod left Jerusalem too. Herod went to Caesarea on the coast. Did Herod travel up or down? See Acts 12:18-19. Prove your answer from your map.
4. When they were still in Galilee, Jesus told His disciples He would be killed. He said that He would rise from the dead. Jesus said that they would travel to Jerusalem where these things would happen. Were they going to go up or down when they went to Jerusalem. See Luke 18:31-33. Prove this on your map.
